Final-year civil engineering undergraduate at IOE Pulchowk Campus (GPA 3.82/4.00) with ongoing research on bacterial concrete and a structural engineering final-year project. Seeking admission to a master's program in civil engineering in the United States.

EDUCATION

Bachelor of Engineering in Civil Engineering — Expected Sep 2027
Institute of Engineering (IOE), Pulchowk Campus – Lalitpur, Nepal
- GPA: **3.82 / 4.00** (average of semesters 1–5: 3.84, 3.84, 3.92, 3.69, 3.83); focus on structures and computation

Higher Secondary Education (Grade 12) – Valmiki Shikshya Sadan, Chitwan, Nepal — 2023
GPA: 3.60 / 4.00

Secondary Education (Grade 10) – Little Flower School, Chitwan, Nepal — 2021
GPA: 3.85 / 4.00

RESEARCH & PROJECTS

Undergraduate Research: Bacterial Concrete — In progress
Pulchowk Campus, IOE
- Conducting research on bacterial concrete as a sustainable concrete technology.

Final Year Project: Structural Engineering — 2026 – 2027
Pulchowk Campus, IOE
- Undertaking the final-year design project in structural engineering.

Floatcrete Competition (Team Project) — 2025
Organized by Civil Engineering Student Society (CESS), Pulchowk Campus
- Worked in a team on a floating concrete design using a lightweight mix with expanded clay.

Shaketable Competition — 2025
Organized by CESS, Pulchowk Campus
- Took part in a seismic shake table testing competition.

EXPERIENCE

Site Visit Experience
Predetor Consultancy
- Accompanied the consultancy team on construction site visits to observe engineering practice in the field.

LEADERSHIP & VOLUNTEERING

Executive Member (Sponsorship Manager and Event Manager) — 2025 – 2026
Civil Engineering Student Society (CESS), Pulchowk Campus
- Managed sponsorship for student technical events and workshops.
- Led event management for CESS technical programs together with fellow executive members.

Volunteer, Project Nyano — 2025
Kathmandu Valley Leo Club (General Member)
- Helped distribute warm clothes to the Chepang community.

TRAINING & CERTIFICATIONS

CSI ETABS Workshop (CESS-Nepal) • AutoCAD + ETABS Workshop (CESS-Nepal) • AutoCAD Competition Certificate (CESS-Nepal, 2025)

SKILLS

Design & Modeling	AutoCAD, Revit, SketchUp, ETABS (developing)
Programming	Python (NumPy, Matplotlib)
Tools & Documentation	Microsoft Excel (developing), LaTeX
Languages	Nepali (native), English (fluent)
Interests	Structural design, BIM, sustainable construction
